

Tree removal in Kirkland starts week of April 22

Construction crews working on the I-405 – Bellevue to Lynnwood Widening and Express Toll Lanes Project will begin removing trees and shrubs as early as Monday, April 22 on the west side of I-405 between NE 36th Place and NE 70th Place in Kirkland. Tree removal is needed to build one additional lane in each direction of I-405 for a dual express toll lane system from downtown Bellevue to Bothell. Crews expect tree and shrub removal to take approximately two weeks to complete.

Crews will reuse or recycle trees removed within the project area, and will replant new trees and shrubs where possible before the project is complete in 2015.

Construction noise

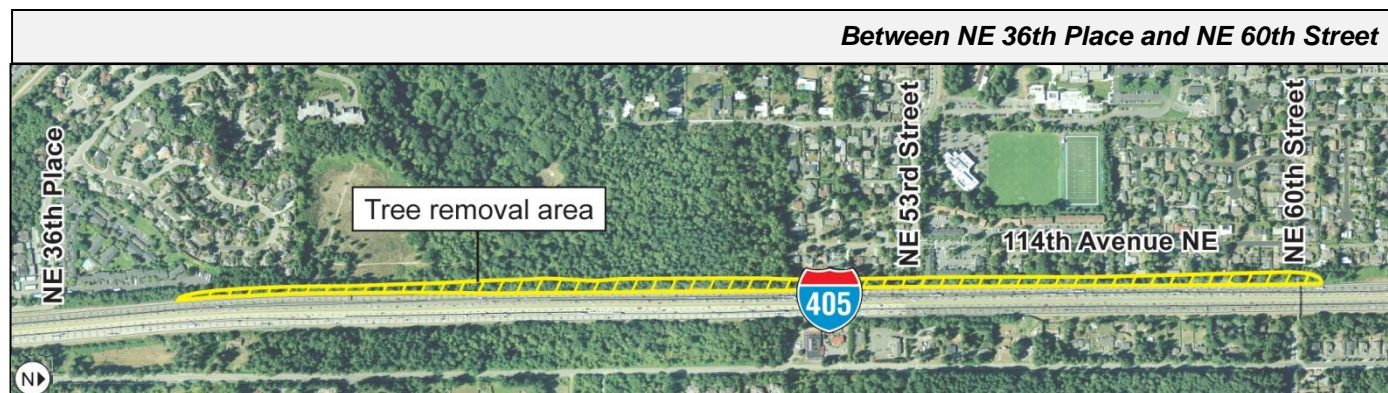

Crews will keep noise to a minimum by completing noisiest work during daytime hours (7 a.m. to 4 p.m.). Crews will haul the majority of vegetation away at night.

Neighbors can expect noise from equipment used to cut down and dig up trees and shrubs.
